King Alfred's School West

There will be weekend parking by kind permission of the School.

Not to scale!

To get to Challow Park, take the A417 West out of Wantage (toward Faringdon). Before you get to Challow you will see King Alfred's School West on your left. Park there. Just beyond that is Challow Park on your right; it's a walk of ~200m. VERY LIMITED parking is available at Challow Park itself, but please leave this for disabled visitors and for the people who live there and kindly let us use their home! If you see the Goodlake Arms on the left, you've gone too far.
