Notes for those submitting entries

Online entries at

www.wantagemusicfestival.org.uk

1. Timing: Please estimate the total time you will take to introduce and perform in each class. The more accurately you can do this, the better we will be able to ensure that classes run to time!

2. Fees: Recommended adjudicator and accompanist rates increase each year and we have to set our fees to ensure the festival keeps going. Class fees can be found with each class description in the Schedule of Classes. We no longer charge a separate fee for an accompanist.

3. Programme Pre-order: You can pre-order a posted programme for £6.00 as indicated on the entry form. Surplus copies will be available for purchase at the Festival but we cannot guarantee availability.

4. How to Pay: Please enclose a cheque made out to **Wantage Music Festival Association** or use the online booking system (details on wantagemusicfestival.org.uk).

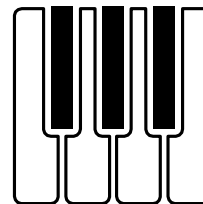

5. Where to send: Please send completed entry forms to:
WMF Entry Secretary, c/o 1 Simmonds Walk, Wantage, Oxon, OX12 9HF.

6. Further contact from the Festival: Please provide an email address so that we can send class timing information and, where appropriate, accompanist details and a copy of the Safeguarding Policy to the submitter. If you are unable to provide an email address then you must enclose an SAE with your entry. You can expect to receive class timing information by four weeks before the Festival.

7. Multiple Entrants: (the Entrant is the person who will perform at the Festival) If you submit an entry with multiple entrants, you are responsible for forwarding information to them. However, if, with your entry form, you provide email addresses, or an SAE, for each entrant (or the responsible adult in the case of an under 18), the Festival will send the class timing and other information directly.

8. Own Choice music: If you have requested the services of an Official Accompanist for any Own Choice class, you must ensure that our Music Librarian receives a copy of the music by **27th May** at the very latest. See also rule 16 in the syllabus.

9. Safeguarding: Our Safeguarding policy for children and other vulnerable people can be found in the Syllabus and downloaded from our website. Whilst the Festival seeks to work in partnership with parents, carers, and teachers to ensure a safe environment as far as is reasonably practicable, the responsibility for children under 18 rests with their parents or carers. The Festival's Safeguarding Policy requires parents, guardians and carers not attending in person to be satisfied that their children will be accompanied to the Festival and adequately supervised by responsible adults acting on their behalf.
